Joint Operations Facility

Pennington County Hwy Dept

250 125th Ave. NE

Thief River Falls, MN 56701

Please note that you will not automatically receive an email confirming your registration. If you need one, please send an email to Nate Patterson [Nathaniel.j.patterson@state.mn.us].

Consumer Focus Groups for Report Card

Starting the week of November 3rd, Creation in Common (who conducted the previous consumer focus groups), will show the Report Card mockups to 7 focus groups throughout Minnesota. Two of these groups will specifically focus on non-English speaking users. The goal of these groups is to obtain feedback about the Report Card mockups regarding its functionality, ease of use, and efficacy. This feedback, along with the feedback received from the roadshows, will be taken into consideration when designing the final site.

Reminder: Legislative Report is Online

If you have not yet viewed the Legislative Report, it is viewable in its entirety online.
